**"SHAKE YOUR TAIL FEATHER"**

## **OUR OBJECTIVE**

Hilah Ayers Wilderness RV Park is a family owned, operated, and oriented seasonal RV resort and campground located in central Alberta that has served the Mulhurst Bay area for over 35 years. To celebrate our ongoing commitment to the community and region, we host the Pigeon Lake Music Festival annually on the August long weekend and are looking for sponsors to share event success with. An exciting lineup of emerging, iconic, and talented musicians and entertainers is assembled each year, and the event is methodically planned and executed in a way that has put Pigeon Lake back on the map.

Our organization offers affordable leased RV lots to Canadians and adamantly encourages active and healthy lifestyles, especially within our youth. We strive to inspire togetherness and fellowship in an incredibly stunning outdoor environment, and we invite visitors to discover the beauty that Alberta has to offer. We believe that a world unplugged is better connected and your investment helps us further advocate that.

## **YOUR SPONSORSHIP**

The success and longevity of an annual event like this is only possible with the involvement of key industry partners, corporate sponsorship, and enthusiastic local support. We have crafted a variety of packages to ensure each relationship is mutually beneficial.
